Guarantee Policy:

- All transmissions, transaxles and rear ends are guaranteed for 90 days to work properly.
- All electrical and fuel delivery parts are guaranteed to work properly at time of purchase only.
- Sheet metal and tires are sold 'AS IS'.
- All other parts are guaranteed for 90 days to work properly.
- Guarantee is voided and parts are not returnable if used for modification and performance applications or parts taken apart.
- Guarantee is to replace defective part with another of the same part. No cash refunds unless non-replaceable, at sellers option.
- All hydraulic parts sold for REBUILD PURPOSES ONLY
- No guarantee on electrical parts.
- Guarantee is void on all parts that have had a heat tab attached to them by seller that shows signs of part being overheated, or on parts where buyer removes such tab
- Warranty is void on Engines and Transmission NOT installed by a Certified Mechanic.

Special Orders:

- Deposits on special orders are non-refundable
- 50% deposit of purchase price is required on special orders before ordering can be done
- Deposits left past 30 days are void, without prior agreement

Battery Cores:

- Cores must be returned within 30 days for refund.
- Copy of invoice is required, no exceptions.
- Cores paid by check require a 14 business day waiting period before refund, or copy of cancelled check.
- All parts not drained when returned for core credit will be subject to \$25.00 charge.

Purchaser:

Balow's Highway 7 Auto Salvage Inc.
1838 Hwy 7
Lester Prairie, MN 55354
Fax: 320.395.4317 Phone:320.395.2926

- Agrees to pay all collection and attorney fees and costs in connection with collection of this invoice
- All checks returned unpaid are subject to a \$25.00 fee
- All defective parts must be brought to the seller's attention immediately.
- All engines and transmissions are drained of all fluids prior to sale.
- Used engines guaranteed not to have a cracked block, head, or bad crankshaft.
- Used engines guaranteed against rod knock, excessive oil consumption, and excessive smoking.
- Improper detent adjustment, low fluid level, failure to install new filter (AT only), broken front pump, or improper installation voids all warranties.
- It is recommended that the buyer replace and or inspect front and rear main seals, filters and any gaskets prior to installation
